

ABBREVIATIONS

Abbreviated references in this volume conform to the standard principles outlined in two recent works of Mycenaean scholarship: J.T. Killen, J.L. Melena and J.-P. Olivier eds., *Studies in Mycenaean and Classical Greek Presented to John Chadwick* (*Minos* 20-22, Salamanca 1987) 621-625, and J.-P. Olivier and T.G. Palaima eds., *Texts, Tablets and Scribes. Studies in Mycenaean Epigraphy Offered to Emmett L. Bennett, Jr.* (*Minos* Suppl. 10, Salamanca 1988) 12. The editors have allowed some idiosyncratic abbreviations to stand in individual papers: e.g., *Docs*² = *Documents* = M. Ventris and J. Chadwick, *Documents in Mycenaean Greek*, 2nd ed. (Cambridge 1973). These are either clearly explained within the papers or obvious substitutes for items listed in *Studies Chadwick* and *Studies Bennett*.

References to journals follow the system explained in *American Journal of Archaeology* 90 (1986) 382-393.
